

Moscode® 401HR

33 1/3 Day* In-Home Audition (USA only)

* We really give you 34 days but we want you to remember this offer.

Thank you for purchasing the Moscode 401 HR Stereo Hybrid amplifier. Like Harvey "Dr. Gizmo" Rosenberg said, "Your purchase of a Moscode Tube Amplifier shall be remembered as a shining moment of good audio judgment."

I want you to be 100% sure you feel the same way. That's why I offer you our 33 1/3 Day In-Home Audition. You'll have a full 33 1/3 days to listen to your 401HR to be absolutely sure you're happy (delirious!) with your purchase. And there's no other way to do it than in your own system with the music, speakers and equipment you use. This allows the amplifier (and you!) to break-in.

We realize the Moscode 401HR may offer you a totally new experience listening to music. You'll want time to optimize your setup for the improved detail, spaciousness, imaging, vivid tonal colors, with power and slam you'll find on tap.

Our In-Home Audition works this way: If, at any time until the end of the 33 1/3 Day In-Home Audition, you'd rather return the amplifier, just call or e-mail Moscode and we'll arrange to have the amplifier picked up at our expense.
